

PRODUCT LEAFLET

Analog smoke detector with isolator 4401I

FEATURES

- State of the art detector for highest safety
- Built-in short circuit isolator
- Supports auto-addressing
- Nuisance alarms reduced by up to 46% by using Advance mode:
 - Variable sensitivity and time delay based on smoke changes just before and after fire alarm level has been reached
 - A learning function will ensure that the most suitable fire alarm algorithm is always used
- High-tech mesh net prevents dust and insects to enter the detection chamber
- Installation date and automatic service signal

DATA

-  - 10 to +50 °C
-  < 95%
-  Ø102x34 mm
-  75 g
-  Red LED
-  Grey White Black

GENERAL

- Tested and approved according to EN54-7 and EN54-17
- VdS Approval: G220004
- CPR: 0786-CPR-21673
